

Form for changing the registered holder of several .nl domain names

Registrant

(company) name¹

address (no PO box)

postcode, town and country

registrant of the domain names: see attached list

number of domain names listed

hereby declares his wish that the party registered as the registrant of the specified .nl domain names should be changed to the following:

(company) name¹

address (no PO box)

postcode, town and country

The new registrant declares that, for each of the domain names concerned, a 'Registration contract for a .nl domain name' has been completed, signed and submitted to the relevant registrar, together with the necessary administrative data.

date

signed on behalf of the existing registrant

name signer

signer declares hereby to be authorized to act on behalf of the existing registrant.

signature on behalf of the new registrant

name signer

signer declares hereby to be authorized to act on behalf of the new registrant.

If the new registrant wishes to move the .nl-domain names to a registrar other than the registrar who acts for the existing registrant, the new registrant should additionally complete a 'Form for the relocation of several .nl domain names to a new registrar'. The existing registrant should inform the existing registrar of the intention to relocate the names in question and should cancel the agreement with the existing registrar in the prescribed manner.

Please submit this form to your registrar (provider), who will submit the changing request to SIDN.

¹ If the registrant is a company, the full company name, as given in the Trade Register should be given. If the registrant is a natural person, the initials and surname should be given.
